

GIS Specialist

The GIS Specialist will assist with the development and maintenance of the county-wide geographic information systems databases. This includes, but not limited to: maintain large parcel database with dozens of fields related to assessment information; perform property splits and combinations by updating the parcel layer; geo-reference maps, surveys, and engineering site maps to create accurate parcel polygons; perform multiple geo-processes and field maintenance in order to prepare GIS data to be uploaded to CAMA via Microsoft SQL server. The position requires further education/degree/experience in planning, geography, GIS, engineering or related field.

The pay rate is \$16.52 per hour (7 hour work day).

Interested candidates should submit a resume to:

Melissa Miller, HR Director
Indiana County Courthouse, 2nd Floor
825 Philadelphia St.
Indiana, PA 15701
