

INDIANA COUNTY PROBATION DEPARTMENT
GUIDELINES FOR HOUSE ARREST WITH ELECTRONIC MONITORING
FOR DUI OFFENDERS

Any offender requesting House Arrest with Electronic Monitoring as a sentence option for DUI must comply with the following:

1. You must have a CRN evaluation completed at The Open Door.
2. You must complete a drug and alcohol assessment at The Open Door or at another facility licensed by the Department of Health.
3. Cellular service is required, however if you reside in an area with no or poor cellular service, you must obtain a basic landline phone with no call waiting, caller ID Block, three-way calling or call forwarding.

If you need to schedule a CRN evaluation or a drug and alcohol assessment, contact The Open Door at (724) 465-2605.

***It is your responsibility to provide a landline phone number, verification of the CRN evaluation and the drug and alcohol assessment to the Probation Department no later than _____.**

In addition, the House Arrest Program has the following requirements:

1. You will be ordered to pay a \$75.00 installation fee and a fee of \$10.00 per day in accordance with a payment schedule developed by the Indiana County Probations Department.
2. If you are interested in work release while on House Arrest with Electronic Monitoring, you must submit a letter from your employer with your work schedule with time and date of shifts and work location.

If you are not a resident of Indiana County, placement on House Arrest with Electronic Monitoring is based on your home county's acceptance of a transfer.

I have received a copy of the Guidelines for House Arrest With Electronic Monitoring.
