based on unofficial returns submitted to the Department of State under Section 1404(f) of the Election Code, the Secretary of the Commonwealth has ordered a mandatory recount of the United States Senator. The recount has been ordered because the results were within one-half of a percent or less of the votes cast for this office. Indiana County will begin the recount on November 20th at 2:00 p.m. and will continue until all ballots have been recounted. Ballots must be counted on a machine other than what used Election Day.
