IDENTIFICATION WHEN YOU VOTE

Pennsylvania law requires that registered voters who appear in person to vote for the first time in an election district must present a form of identification. If you are voting for the first time in Pennsylvania, and you intend to vote by absentee ballot in a federal election, please include a copy of a form of identification with this voter registration mail application. Otherwise, you will be required by federal law to include a copy of a form of identification with your absentee ballot. (For information on the acceptable forms of identification and the exemptions to these identification requirements, please contact the voter registration commission in your county of residence.)
