

MAGISTERIAL DISTRICT REESTABLISHMENT

Pursuant to the Pennsylvania Constitution, a reestablishment of magisterial districts is to occur every ten years in the year following the federal census. Each magisterial district within Indiana County has been analyzed and evaluated with respect to population, caseload, and workload measures. As a result of this analysis, a proposal is planned to be submitted to the Pennsylvania Supreme Court recommending that all of the magisterial districts shall be reestablished as they currently exist in Indiana County. Of all of the sixth-class counties in Pennsylvania, Indiana County's Magisterial District Judges have the fourth highest caseload average. More information regarding the plan may be found in the Indiana County Court Administrator's Office or on the following link: www.indianacountypa.gov/departments/court-of-common-pleas.

Public comment on the proposed reestablishment will be received by the Court Administrator's Office. Comments should be received by January 21, 2022. Comments may be mailed to Indiana County Court Administrator's Office at 825 Philadelphia St. 2nd Floor, Indiana, PA 15701 or may be emailed to cdonofrio@indianacountypa.gov.
